Certification of Application

I understand I will not be charged a fee by Kula Consulting Inc. (Kula).

I am seeking employment through Kula Consulting Inc. I understand that in the event I accept an interim assignment for Kula, I will be an employee of Kula and not of any client. I further understand that an agreement and contract will exist between Kula and any client to whom I may be assigned. I agree to notify my Kula manager immediately if I am offered direct employment by a client (or referral by the client to any subsidiary or related agency), either for a full time regular, interim, (including interim assignments through another agency) or a consulting position within one year of the last day I am paid by Kula for such an assignment.

Since Kula is an employment service, not an accounting firm, I will not render an opinion on behalf of Kula. I will not sign Kula Consulting Inc. or my name to any document as professional verification or endorsement while on a Kula assignment. I will not handle cash, negotiables, or other valuable without written consent of Kula. As an employee of Kula, I will not, during or subsequent to the terms of our agreement, directly or indirectly disclose the confidential information of the client. The confidential information of our clients include, without limitation, all information related to the service and work product, the clients' know-how and all information regarding the client not know to the general public.

I hereby certify that the information contained in this application form and furnished via my resume is true, complete, and correct to the best of my knowledge and agree to have any of the statements checked by the company unless I have indicated to the contrary.

This contract and application represents an agreement between Kula and myself. I understand that any misrepresentations, falsification, or material omission of information on this application may result in my failure to receive an employment offer or, if I am hired, dismissal from such employment.
